The Group at a glance

AFD Group contributes to the implementation of France's policies for sustainable development and international solidarity. The Group includes Agence Française de Développement (AFD), responsible for financing the public sector and Non-Governmental Organizations, research, and training; its subsidiary Proparco, dedicated to financing and supporting the private sector; and Expertise France, an agency for technical cooperation. The Group finances, supports and accelerates the transitions needed for a fairer, more resilient world.

With our partners, we are building shared solutions with and for the people in more than 150 countries, as well as in 11 French Overseas Departments and Territories. As part of the commitment of France and the French people to achieving the Sustainable Development Goals, our teams are involved in more than 4,800 projects in the field.

Our objective is to reconcile economic development with the preservation of common goods, from peace, the climate and biodiversity to health, education and gender equality.

Towards a world in common.

THE AFD GROUP BRINGS TOGETHER 3 ENTITIES:

PRIVATE SECTOR

Proparco finances and supports the private sector and infrastructure projects.

PUBLIC SECTOR

The French Development Agency funds and supports public partners and civil society organizations.

TECHNICAL COOPERATION

Expertise France implements technical cooperation projects that strengthen its partners' policies.

AFD GROUP STRATEGY

STRATEGIC ORIENTATION PLAN

- A profound renewal of the international agenda: the Sustainable Development Goals and the Paris Agreement
- A new ambition of the French government: to increase the financing of **public development assistance** to 0.55% of **gross national income**.

The AFD Group in North Africa

In North Africa, the Agence Française de Développement Group is present close to the field to promote operational synergies between its different entities and to best support its clients and partners.

The North Africa Regional Directorate based in **Casablanca** covers 5 countries: **Morocco, Algeria, Tunisia, Libya, Egypt.**

REGIONAL CHALLENGES

- North Africa serves as a natural interface between Europe and Africa. It is currently undergoing structural transformations, exacerbated by the multifaceted crisis induced by the pandemic and geopolitical crises in Ukraine and the Middle East.
- As the Mediterranean facade of the continent, North Africa faces common climatic, social, and territorial challenges shared with the countries of the northern Mediterranean shore.
- The region is a historical crossroads of civilizations, deeply connected to the rest of the world. Expertise sharing and knowledge production are harnessed to fuel public policy dialogues and operations. These insights contribute to finding partnership-based solutions to address challenges on a regional scale.

STRATEGIC MARKERS OF THE GROUP'S ACTIVITY IN THE REGION

The regional strategy addresses these challenges by leveraging the group's capacity to offer various **collaboration modalities** to all categories of public and private stakeholders in the region.

7,63 Billion € and over 320 ongoing operations

10 % of the AFD Group's global activity

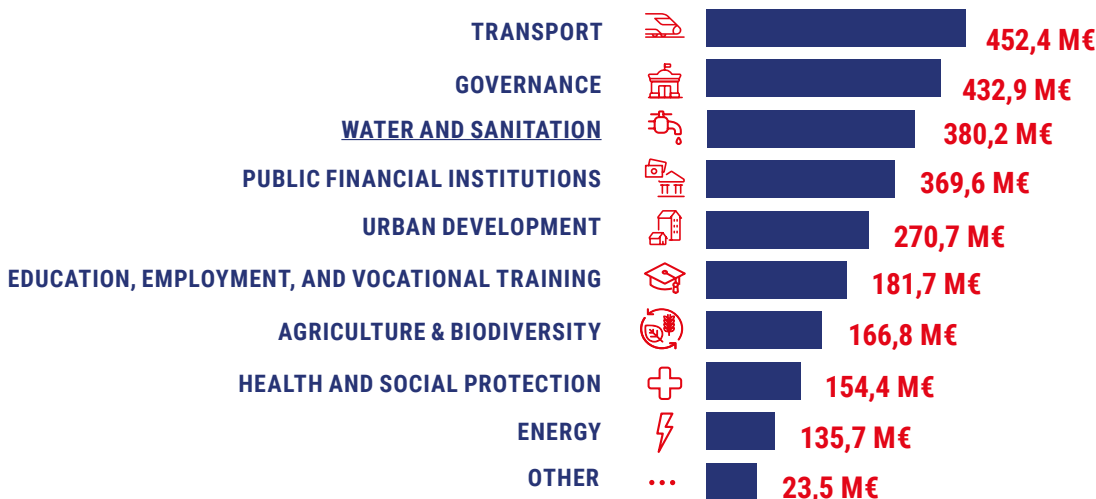

50 % of projects with climate co-benefits

Nearly 60% of projects with a gender equality impact

BETWEEN 2021 AND 2023, AFD GROUP COMMITTED APPROXIMATELY €2.6 BILLION IN NORTH AFRICA.
